

2026 PORTFOLIO

Eureka Salma
Illustration | Design

Hello, I'm

Eureka Salma

Independent Illustrator & Designer

I enjoy the creative process of translating each brief into structured ideas and meaningful design solutions. For me, design isn't just about producing compelling visuals, but also about understanding needs, exploring possibilities, and creating work that's communicative, functional, and provides a memorable experience.

In essence, I'm an adaptable, analytical, and explorative artist who values purposeful creativity and continuous exploration.

Keywords:

**Experimental . Functional .
Thoughtful . Minimal . Meaningful**
